## Alan Gordon Joins USMNT for CONCACAF Gold Cup

**Veteran forward joins Galaxy teammates Omar Gonzalez and Gyasi Zardes ahead of Gold Cup Quarterfinals**

**L**A Galaxy forward Alan Gordon was called up to the U.S. Men's National Team roster by head coach Jurgen Klinsmann for the 2015 CONCACAF Gold Cup earlier this week. Gordon, who replaces Jozy Altidore, will join ahead of a quarterfinal matchup on Saturday, July 18.

Gordon departed following the Galaxy's U.S. Open Cup Quarterfinal game against Real Salt Lake on Tuesday and is unavailable for selection against the San Jose Earthquakes at StubHub Center. The forward will join LA Galaxy teammates Omar Gonzalez and Gyasi Zardes, who helped the U.S. to a first-place finish in Group A.

The Long Beach product made his first and only appearance for his country in 2012 as a substitute against Antigua and Barbuda in a FIFA World Cup Qualifying match when he provided the game-winning assist to Eddie Johnson. Gordon was also called up for the 2013 Gold

Cup after the USMNT advanced to the group stage. This season for the Galaxy, Gordon has made 20 appearances and six starts, recording four goals including two game-winning goals. Since joining the Galaxy last season, he has recorded nine goals and an assist in 34 MLS appearances.

The U.S. will play on Saturday, July 18 at 2 p.m. PT at M&T Bank Stadium in Baltimore, Maryland. Should the USMNT advance, they would play the semifinal match Wednesday, July 22 for a chance to appear in the Gold Cup Final on Sunday, July 26.

DaMarcus Beasley and Joe Corona were also added to the U.S. team and will report to Baltimore in advance of the USA's Quarterfinal matchup. Beasley comes in for Greg Garza and Corona for Alfredo Morales.

## LA GALAXY SIGN 30 NEW PLAYERS

**Club signed 30 local players who will compete on LA Galaxy SOSC Unified Soccer Team, which brings people with and without disabilities together to compete, learn and grow on the same team as equals**

Last month, the LA Galaxy announced the signing of 30 new players. The 30 players make up the LA Galaxy Southern California Special Olympics (SOSC) Unified Soccer Team that will compete against other MLS-affiliated Special Olympics Unified Teams during this season.

"We are very excited to assemble a Southern California Special Olympics Unified Team with some of the most outstanding athletes from Los Angeles," said Head Coach and General Manager Bruce Arena. "We think each player offers unique qualities both on and off the field to be a great member of the LA Galaxy. We are confident they will uphold the Galaxy's standard as the premier soccer club in North America through their hard work, dedication and effort."

All 30 players were on hand for a special ceremony at StubHub Center's Champions Lounge to announce their signed professional contracts with LA Galaxy coach Bruce Arena. The group signing was also attended by LA Galaxy defender Omar Gonzalez and Galaxy legend Landon Donovan, who presented each player with their new LA Galaxy jersey and offered support to the new signings ahead of the team's upcoming season. Exclusive interviews, videos and additional content on the ceremony for the Galaxy's SOSC Unified Team can be found on [www.lagalaxy.com](http://www.lagalaxy.com).

"Signing these 30 players is a major coup for the Galaxy organization," said LA Galaxy President Chris Klein. "The Galaxy have a tradition of signing the world's

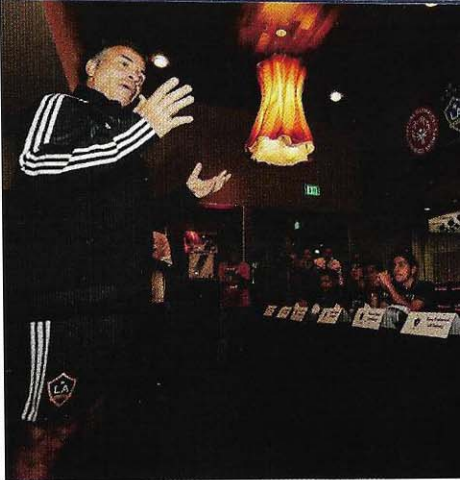

best and most talented footballers and we are thrilled to continue to be a destination for these premier players."

The LA Galaxy SOCS Unified Team is composed of athletes with and without intellectual disabilities from ages 14-22 to encourage teamwork, hard work and inclusion through the sport of soccer. The team will compete against other MLS-affiliated Special Olympics Unified Soccer teams throughout the course of the season. The LA Galaxy SOC Unified Team will also be supported by the LA Galaxy first team, with players and coaches interacting with the Unified Team during the year.

The LA Galaxy SOSC Unified Team will receive special recognition at StubHub Center on Friday, July 17 during a match against the San Jose Earthquakes. Special Olympics Southern California will be the official community partner of the game.

The LA Galaxy SOSC Unified Team is made possible through the club's partnership with the Special Olympics, with put together the first-ever LA Galaxy SOSC Unified Team last year. The club will support Special Olympics through a 20 for Twenty community event, the Special Olympics World Games' Fans in the Stands at the University of California on July 31. The initiative will see LA Galaxy players, staff and fans fill up the stands to cheer and support soccer teams from around the world in the Special Olympic games this summer in Los Angeles. 20 for Twenty is a year-long initiative that will see the implementation of 20 unique community service acts to celebrate the Galaxy's 20th season in Major League Soccer.

## An Open Letter from Stefan Ishizaki

**Former Galaxy midfielder played his final match in a 4-0 win over Toronto FC at StubHub Center**

**S**aying goodbye is difficult. Since coming to your club last season, I immediately felt your unwavering support and grew to love this team, city and its fans. You have helped me and my family feel like we have become part of yours. Thank you for your constant love and dedication to us on and off the field.

This is a decision that is rooted in something more important than the sport itself: family. My family is the most important thing and I will always have their best interest in mind, even though it means making a choice as difficult as this.

I will miss the beautiful goals we scored, the screaming

fans at StubHub Center and the inseparable bond between our team. I am honored and humbled to have been a part of the team that helped the Galaxy make history by becoming the first team to win five MLS Cups. I look forward to cheering on the Galaxy continuing to set new records. The memories I have here will always be some of the greatest of my life.

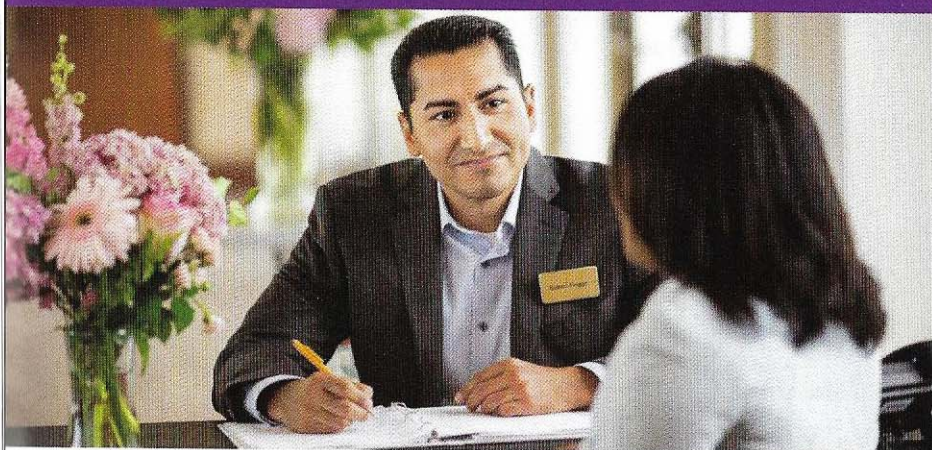

I am proud to have represented you all over the past year and a half and even prouder to be considered a part of your Galaxy family.

From me and my entire family:

Thank you,  
Stefan Ishizaki

## Posters are for sale now to benefit the LA Galaxy Foundation

The LA Galaxy have unveiled the commemorative match poster for the LA Galaxy vs. San Jose Earthquakes match. This is the second season of the Galaxy's commemorative match poster series, an initiative in which the Galaxy work with local, national and international artists to design unique posters for each home match, with a limited supply available to benefit the LA Galaxy Foundation.

Designed by artist Simon Prades, the poster features new LA Galaxy midfielder Steven Gerrard amongst the palm trees

of his new home in Southern California.

All of the proceeds from poster sales will go to the LA Galaxy Foundation. All commemorative match posters for the 2015 season will be available for purchase at [www.lagalaxy.com/posters](http://www.lagalaxy.com/posters).
